PRE-CCP CONVEYORS.

GET TO KNOW E.W PRE-CCP CONVEYOR

- **Built for Durability:** Engineered for raw material handling and upstream transfer.
- **Smart Hygiene:** Meets cleanability standards to prevent downstream contamination.
- **Cost-Efficient:** Robust performance without the high cost of post-CCP specialty designs.

✓ ~30% **cost reduction** vs premium hygienic systems

✓ **Modular, scalable** solutions for ~70% of **global food manufacturers**

✓ Supports inclined and horizontal conveying applications

✓ Ensures **ease of cleaning, reliability,** and **scalability**

✓ Simplified structure, fabrication, and assembly

1 ZERO SPILLAGE

2 ZERO PRODUCT BREAKAGE

3 LESS CLEANING TIME

4 NO VISIBLE BUILD-UPS

5 100% ACCESSIBLE

6 HYGIENE COMPLIANT

PRODUCT FEATURES

BEST VALUE FLOW Enable

An **efficient, cost-effective** solution optimized for **pre-CCP and low-risk** processing zones.

✓ STANDARD FABRICATION

Perfect for dry cleaning routines and general processing.

✓ IP54 RATING

Dust-protected, suitable for standard factory environments.

✓ MODULAR BELTING

Versatile and durable mechanical handling.

✓ OPTIONAL VFD

Flexible configurations to meet specific budget requirements.

HIGH HYGIENE FLOW Assure

A **hygienic, high-performance** system engineered for **post-CCP and critical** washdown zones.

✓ EHEDG COMPLIANT

Hygienic design optimized for intensive wet cleaning.

✓ IP69K RATING

High-pressure, high-temp washdown for ultimate safety.

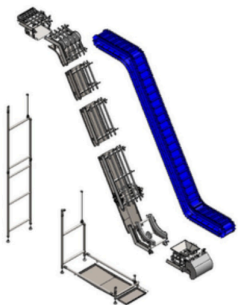

✓ HOMOGENEOUS PU

Prevents bacterial growth and eases cleaning.

✓ STANDARD VFD

Precision speed control for seamless line integration.

ACCESSORIES:

- Scrapper
- Infeed Hopper
- Discharge Chutes
- Thumper & Knocker
- CIP System (Optional)
- Top Covers (Optional)
- Safety Compliance

THE E.W DIFFERENCE

At **Enabling.Win**, we believe in creating a **win-win ecosystem** for the food industry. Our team works to accelerate your business journey with **industry expertise**, technical excellence, and renowned OEM support, ensuring optimal outcomes. We **constantly innovate** to deliver cutting-edge solutions that keep you ahead and prioritize **lasting partnerships** that propel sustained growth and success.
